## **FOR IMMEDIATE RELEASE**

On Thursday, September 15, 2022 Central Holman of Owensboro was sentenced to 260 months in federal prison. This sentence stemmed from a 2019 joint investigation involving the Owensboro Police Department Street Crimes Unit, the DEA Evansville Office, the ATF, and various other local, state, and federal agencies in Indiana.

During the investigation, detectives determined Central Holman and his associates were distributing pound quantities of methamphetamine in Western Kentucky and Southern Indiana in a sophisticated drug trafficking operation. A search warrant was obtained and executed by OPD Street Crimes Detectives, DEA, and ATF, at a residence in the Lake Forest subdivision. The search warrant resulted in the seizure of multiple pounds of methamphetamine and several firearms. Per federal guidelines, Holman will have to serve 85% of his sentence before being eligible for parole.

Our community is made safer through joint investigations such as this that focus on individuals and organizations that are trafficking large quantities of dangerous controlled substances and firearms in Owensboro/Daviess County. Members of the Owensboro Police Department are committed to using every resource available including our Federal partners to ensure these individuals serve significant sentences in the federal system.
