OPD Arrest – Man Charged with Murder

On Thursday, October 6, 2022 at 11:33 am, officers from the Owensboro Police Department were dispatched to a shooting in the 2700 block of West 10th Street. When officers arrived they located an adult male suffering from a single gunshot wound and began administering life-saving treatment with assistance from the Owensboro Fire Department and AMR emergency medical. The victim was transported to Owensboro Health Regional Hospital where he ultimately died from his injuries. Initial information received indicated the suspect fled the scene following the shooting.

Detectives with the Owensboro Police Department Criminal Investigation Division and Evidence Collection Unit responded to the scene. During the investigation, detectives identified a suspect and determined the suspect was possibly in route to a location in the county. Daviess County Sheriff Office was contacted and deputies located and detained the suspect a short period of time later. The suspect, Keith Bryant (33 years old of Sorgho, KY), was taken into custody by OPD and charged with Murder. He is currently being held at the Daviess County Detention Center.
